Banquet Hall Requirement

This document contains details for booking Tanoor Banquet Halls for your event. Parties of 20 guests or more, held in our banquet hall, will have to choose **Tanoor Experience** or **Tanoor Experience**++ meal options. This ensures the best experience for large groups dining at tanoor. Our Seattle location banquet hall can accommodate up to 55 guests, whereas our Bellevue banquet hall can accommodate up to 100 guests.

NOTE: Banquet hall reservations for private events, such as weddings, and other celebrations, which require exclusivity, decoration, setup and tear down will be charged $500 per hour from the start of the setup time until the end of the tear down time. Additionally, only **Tanoor Experience**++ is the only available option for such events.

What is Tanoor Experience?

- The **Tanoor Experience** menu includes a variety of vegetarian and vegan appetizers, both hot and cold. These appetizers are served in fixed quantities and can be refilled within limits if desired. Customers may pre-select their preferred appetizers if they wish; otherwise, our expert staff will provide a selection of popular surprise appetizers from the menu while making sure we accommodate our guests' dietary requirements.
- The **Tanoor Experience** menu features our most popular kabobs, including Lamb, Beef, Kafta, and Shish Tawook (Chicken), served in family-style presentation. These plates come with rice, grilled vegetables and can be refilled within limits if desired.
- The **Tanoor Experience** menu also includes a wide variety of vegetarian and vegan options. Guests can request their preferred vegetarian or vegan dishes in advance to replace proteins or our restaurant can surprise you with a selection of popular options from the menu.
